REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose a brush seal comprising a brush ring having a multiplicity of sealing bristles and at least two annular brush ring carriers, wherein the second brush ring carrier is fixed to the first brush ring carrier by an unreleasable snap connection. The closest prior art, Walter et al. (US Patent No. 3,773,336), fails to disclose the brush ring carriers being connected by an unreleasable snap connection and there is no motivation, absent the applicant's own disclosure, to modify the Walter et al. reference in the manner required by the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
